

Building a better future for today's generation

OVERVIEW

The Inteligente Publishing, Inc. is one of the country's fastest-growing publishing companies today. It is geared up in setting the bar high to meet the publication needs of the internationally standardized Philippine educational system, which adapted the worldwide 12-year basic education program, known in the country as the K to 12 program.

The Inteligente Publishing, Inc. has its own dynamic and fresh approach in educational publishing, which sets it apart from its competitors. It is laying the foundations that will eventually advance it to becoming the country's leading provider of textbooks and other educational materials.

Behind these efforts is a talented pool of competent and proficient authors, editors and artists who are groomed to develop textbooks for students from preschool to senior high school.

The Inteligente Publishing, Inc. looks forward to a future Philippines with globally competitive citizens, and intellectual and responsible leaders. Through this, the Inteligente Publishing, Inc. can take part in building a better future for today's generation.

ABOUT THE LOGO

The Inteligente Publishing, Inc. is symbolized by a figure of a child opening himself up for the love of reading and learning. The symbol of the brilliant sun serves to illuminate the minds of the youth and signifies the bright future ahead of them. The colors dominating it represent growth, creativity, stability, and intelligence.

Building a better future for today's generation

PRODUCT CATALOG

Mission

To produce and disseminate readable, reliable, and purposeful educational materials for Filipino students and educators aimed at meeting the Philippine educational system standards, promoting the Filipino culture and tradition, and creating a socially responsible generation through books

Vision

To become a national institution, recognized globally for its culture of excellence, inclusiveness, and holism

Preface

This catalog showcases the textbooks and other educational materials offered by the Inteligente Publishing, Inc. for preschool, grade school, junior high school, and senior high school.

Being one of the first publishing companies to comply with the Department of Education's call for K to 12-compliant learning materials, the Inteligente Publishing, Inc. is proud to present the textbooks that have been produced so far. Behind these products is a talented pool of competent and proficient authors, editors and artists who have trained and studied diligently to develop learning materials for students from preschool to senior high school.

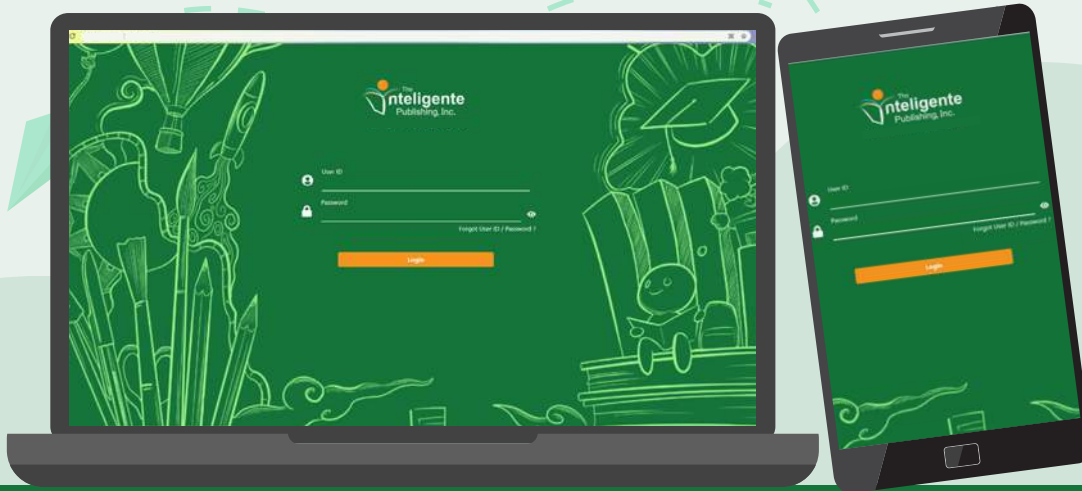

Through our books presented in this catalog, the Inteligente Publishing, Inc. hopes to be in partnership with you in educating today's youth and guiding them as they build a better future for the generations to come.

ntelekTool
because intelligent learning matters

ntelekTool is Inteligente's premiere educational portal for all your school's e-learning needs. It is designed to ease the transition of schools to more modern educational technology. It is used by students, faculty, and parents.

It offers access to Inteligente's Learning Management System and E-books.

IntelekTool LMS is an online academic tool that can be updated centrally for the convenience of learners and managers.

Interactive Content

Online Bulletin

Online Assessments

IntelekTool E-book is designed to access Inteligente's published books. It has simple and user-friendly interface, and available for download on android and iOS. It is also accessible via web portal.

PRESCHOOL

EXPLORING BASICS IN MATHEMATICS

by Elpidio U. Cruz III

This series of mathematics textbooks for nursery, pre-kinder, and kinder school pupils allows children to understand and demonstrate knowledge of the concepts of numbers through the use of concrete objects or materials. They will also learn how to apply these meaningfully in their daily experiences. This is a good and effective way to introduce the subject to children in preparation for their next grade level.

GREAT BEGINNINGS IN LANGUAGE LEARNING

by Sheina May Mislang

The series **Great Beginnings in Language Learning** for nursery, pre-kinder, and kindergarten school pupils provides opportunities on early literacy learning for self-expression through language using the mother tongue or the children's first language. Through this series, children will also be able to develop communicative skills using their first language. They will also gain a more positive attitude toward reading and writing, and view themselves as effective users and learners of the language.

GETTING READY TO WRITE AND READY TO WRITE

by Estrella "Yangky" R. Agustin, PhD, MFLCD, BM

Getting Ready to Write and **Ready to Write** are writing workbooks of The Inteligente Publishing, Inc. that present sequentially arranged writing exercises. They make use of a step-by-step approach to develop the children's love for writing. The approach encourages the children to go up to the next level of learning without fear. The writing workbooks generally aim to develop the children's fine motor skills, teach them to follow directions, and let them learn new words as doorway to develop receptive and expressive language.

READ AND COMPREHEND

by Socorro Brillantes De Gula
and Reynaldo Nape De Leon

With **Read and Comprehend**, the authors provide pupils a guide toward the development of their basic skills in recognition, listening, speaking, reading, and writing. Aside from these skills, the book also promotes reading comprehension and critical thinking skills, and aims to develop the fluency of pupils who are beginning readers. It also encourages teachers and guardians to participate in facilitating the learning and development of the pupils. With their guidance and supervision, the pupils can efficiently respond to reading situations and actively take part in communication activities that can be found in the book.

Building a better future for today's generation

GRADE School

BANAAG: PAGPAPAUNLAD NG KAALAMAN SA WIKA AT PANITIKANG FILIPINO

by Felicisimo G. Galletes, Jr., Sheila Mae L. Romulo, Estrelita R. Vargas, Erwin D. Sulit, Jonathan S. Miranda, Danilo M. Aquino, Jr., Mary Grace G. Cordero, Kenneth G. Pabilonia, Maria Cristina A. Del Rosario, Aesa B. Rivas, and Marlon I. Santiago

Ang seryeng **BANAAG: Pagpapaunlad ng Kaalaman sa Wika at Panitikang Filipino** ay masusing binuo upang makatugon sa mga pangangailangan ng K to 12 Basic Education Curriculum. Naglalayon itong maging kapaki-pakinabang na instrumento sa paghubog ng sa isang matalinong mamamayan ng Pilipinas. Ang serye ay naglalaman ng iba't ibang makabagong pamamaraan ng pagtatalakay at pagsasanay na may kaugnayan sa wika at gramatikang Filipino na tiyak makapagpayayaman ng komprehensibong pagbabasa, pagsusulat, pakikinig, pagbigkas o pagsasalita, at pagbabaybay ng mga mag-aaral.

ENRICHING WORLD OF MAPEH

by Grace Cielo Dayrit, Maria Clara G. Baarde, and Pauline Grace Pacis

The **Enriching World of MAPEH** series aims to meet the needs of the Filipino students as prescribed in the conceptual framework and matrix of the Department of Education's K to 12 basic education curriculum. This series is conceptualized, designed, and developed by the authors in their desire to produce learning materials that focus on the development of the learners' knowledge and skills in Music, Arts, Physical Education, and Health.

BAYANIHAN: Araling Panlipunan

by Rosario L. Tenorio and Daryll A. Mortel

Ang seryeng **Bayanihan: Araling Panlipunan** ay maayos na binuo upang matugunan ang mga pangangailangan ng mga mag-aaral na patuloy na linangin ang diwang tutugon sa hamon ng makabagong panahon. Ang nilalaman ng mga aralin dito ay nakabatay sa K to 12 Kurikulum na ipinatutupad ng Kagawaran ng Edukasyon. Ang bawat aralin ay masusing isinaayos upang mapagyaman ang kaalaman, kakayahan, at kasanayan ng mga mag-aaral sa Araling Panlipunan.

HELE: Foundation of Life Skills

by Ma. Windy B. Bolanio, Alyssa L. Fuentes,
and Aaron Jed Y. Tumbali

HELE: Foundation of Life Skills is a textbook series intended for Grades 4 to 6 students. This series aids and develops their understanding of the basic knowledge and skills in all the components of HELE (Entrepreneurship, Agriculture, Home Economics, and Industrial Arts) toward the improvement and advancement of the students' adaptability in today's competitive world.

MATHEMATICS AROUND US

by Manny A. Esguerra, Steve B. Anapi,
Mildred A. Sebastian, and Allen E. Pasia
Coordinator: Dr. Elisa Baccay

Mathematics around Us is a series of mathematics textbooks aligned to the K to 12 mathematics curriculum prescribed by the Department of Education. Evolved from experiences, observations and learning theories, the lessons are designed to engage students in active learning, which develops critical thinking leading to successful problem solving.

SCIENCE IN PRACTICAL WAYS

by Socorro de Gula, Reynaldo Nape de Leon,
and Shiela Marie Ochoco

Science in Practical Ways is a series designed to help students gain understanding of matter, living things, force and motion, energy, and the earth and space. All lessons in the series reflect the learning competencies as prescribed by the K to 12 Curriculum required by the Department of Education. They are also guided by the general principles of the Natural Early Learning Frameworks (NELF), which assure the effective facilitation of the natural flow of learning of a child.

VALUES EDUCATION FOR LIFE

by Merlina M. Baguiwong †

Values Education for Life offers a productive and practical alternative to what has been called the challenge of the new educational system. The need for change is universally recognized. However, the deterioration of values traces the problems to an emphasis on technological competence at the expense of spiritual and core values, which alone can give higher meaning to life. *Values Education for Life* offers students, parents, and educators broader techniques that are both compassionate and beneficial.

ENGLISH LEARNING VENTURES

by Jhayvi C. Dizon, Kiara O. Ola, Dr. Rosallie R. Hulpipas,
Christopher R. Hulpipas, Maria Angelica DV. Umali,
Ma. Theresa B. Carandang, Mary Jane B. Fernandez,
Jess V. Mendoza, Julie Anjenette D. Canonce,
Michelle DV. Daylo, and Armina B. Gotoc

English Learning Ventures is a textbook series designed to arouse the learners' eagerness to explore and experience oral and written texts and to communicate meanings and feelings effectively. Written by esteemed and experienced authors, this series aims to help learners to construct meanings and communicate them using creative, appropriate, and grammatically correct oral and written language. It is written in such a way as to elicit attention and interest from 21st century learners.

JUNIOR

High School

LIYAB: **Araling Panlipunan**

by Jonalyn C. Pontañeles, Joevinil Pollosco Moncal,
John McLaine L. Buatis, and Beverly Alo-Alejandria

Ang serye ng **Liyab: Araling Panlipunan** ay magkatuwang na inihanda ng mga edukador mula sa pampublikong paaralan at kolehiyo na nagpakadalubhasa sa larangan ng kasaysayan. Nilalaman nito ang komprehensibong pagtatalakay sa mga napapanahong isyu, maging ang kasaysayan ng Asya at ng daigdig.

MATHEMATICS IN DETAIL

by Ramon B. Cristobal and Yonardo A. Gabuyo

This textbook series is designed to develop understanding and appreciation among junior high school learners of the key concepts and skills involving numbers and number sense. They will particularly learn about the concepts in algebra, geometry, and statistics and probability. Written by respectable and efficient authors, this series will help high school students to view mathematics in a different perspective, allowing them to understand the use of mathematics in critical thinking, problem solving, communicating, reasoning, making connections, representations, and decision-making in real life.

ENGLISH LEARNING PORTALS

by June Abigail P. Aranzamendez, Gladys S. Matias, Ma. Theresa P. Navales, John Paul C. Vallente, Mark Joseph C. Catayong, Maria Angelica H. Comiso, Kevin Neil S. Daylo, Linette Grace G. Saguban, Jess V. Mendoza, Cassandra Trina Forte, and Marlene H. Breones

The *English Learning Portals* book series is crafted with the 21st century learners in mind. At the end of their secondary education, 21st century learners, as envisioned through the K to 12 curriculum, are expected to have mastered practical English language skills and have developed literary appreciation. Thus, this book series is designed to expose 21st century Filipino students to the symbiotic relationship that operates between language awareness and literary appreciation.

EXPERIENCING THE WORLD OF MAPEH

by Fritzmarie R. Muyot, Cielo Zamora, Maria Clara G. Baarde, and Julie San Jose-Mathews

Experiencing the World of MAPEH for Grades 7 to 10 is a textbook series created and produced to cater to the needs, skills, and abilities of the junior high school students in compliance with the Department of Education's K to 12 Program. It is designed to offer relevant and updated concepts that will enhance the knowledge and skills of the students about the different components of MAPEH, namely, Music, Arts, Physical Education, and Health.

GININTUANG GABAY SA PAGPAPAKATAO

by Fr. Jaime Eustaquio E. Aggabao
and Merlina M. Baguiwong †

Ang **Ginintuang Gabay sa Pagpapakatao** ay binuo ng mga may-akda upang makiusa sa layunin ng K to 12 Program ng Kagawaran ng Edukasyon na mabigyan ang mga mag-aaral ng mas maigting na pagsasabuhay ng kabutihang asal, tamang pag-uugali, pagpapasiya, pakikipagkapuwa, at angkop na pagkilos o paggalaw sa anumang yugto ng kanilang buhay. Nilalayan din ng aklat na ito na mahubog ang tamang kaisipan at mabuting ugnayan ng mga mag-aaral sa lahat ng nilalang at mapalalim ang kanilang pagmamamahal at pananampalataya sa Poong Maykapal.

TLE: Life Skills for the Future

by Bianca Camille A. Fineza-Laviña, Mark R. Limon,
Aileen L. Paclé, and Nel Bryan C. Tugelida

TLE Life Skills for the Future is a TLE series that includes exploratory courses in Grades 7 and 8, and specialization courses in Grades 9 and 10. Each textbook is K to 12 compliant. This series intends to provide the 21st century life skills and holistic development to every Filipino learner. It adequately prepares students for the world of work, investment for the future, middle level skills development, and higher education.

HINIRANG: Wika at Panitikang Filipino sa Makabagong Panahon

by Rowena C. Largo, Ed.D., Mae Ann E. Quingco, Ed.D.,
Trina Marie A. Catipay, DA, Lita A. Bacalla, DA,
Catalina M. Canasa, MA Ed., at Elsie T. Alvarado, DA

Ang mga aklat na ito ng **HINIRANG: Wika at Panitikang Filipino sa Makabagong Panahon** para sa mga mag-aaral na nasa Baitang 7 hanggang 10 ay mahusay na nilikha ng mga nagpakabihasa sa wikang Filipino upang maging instrumento sa pagbabahagi ng makulay na wika at panitikan ng Pilipinas. Ito ay naglalaman ng mga makabagong pagtatalakay at pagsasanay na may kaugnayan sa wika at panitikang Filipino.

ORAL COMMUNICATION IN CONTEXT

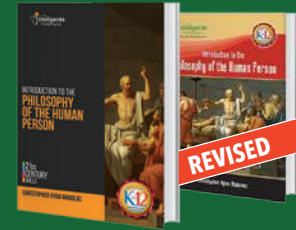

by Dr. Bayani Santos, Jr., Ph.D.
and Rudy Brul, Ph.D. †

The textbook *Oral Communication in Context* focuses on verifiable outcomes in communication studies. The significance of clearly demonstrating the outcomes of learning communication concepts is being emphasized in this textbook. Under the K to 12 program, the authors are able to view communication with a new eye—as an outcome-oriented discipline. Students need this course to survive and excel in a global village, which requires citizens who are trained, theoretically-aware and are emphatic communicators.

INTRODUCTION TO THE PHILOSOPHY OF THE HUMAN PERSON

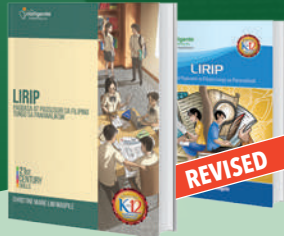

by Christopher Ryan Maboloc

The textbook *Introduction to the Philosophy of the Human Person* follows the trajectory as to how philosophy must be taught and learned by every student. It emphasizes the existential-phenomenological tradition of philosophizing. It also sets a background and context that is appropriate for every Filipino student—his social and economic situation. This is very crucial as philosophy is also a discipline that must prepare students to face the real world.

LIRIP: Pagbasa at Pagsusuri sa Filipino tungo sa Pananaliksik

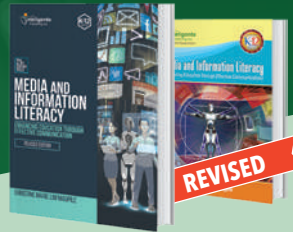

by Christine Marie Magpile

Matutunghayan sa aklat na **LIRIP: Pagbasa at Pagsulat sa Filipino tungo sa Pananaliksik** ang pagtalakay sa proseso ng kritikal na pagbasa at pagsusuri ng iba't ibang anyo at uri ng teksto. Layunin ng aklat na ito na mapalawak ang kaalaman at mahubog ang kakayahan sa pagbabasa ng mga estudyanteng nasa antas ng senior high school upang matulungan sila sa pagbuo at pagsulat ng isang makabuluhang pananaliksik gamit ang wikang Filipino.

MEDIA AND INFORMATION LITERACY (Enhancing Education through Effective Communication)

by Christine Marie Magpile

The book **Media and Information Literacy (Enhancing Education through Effective Communication)** is specifically designed for senior high school students in order for them to understand the key concepts of media and information, and use them to effectively communicate and access information using the technology on hand.

STATISTICS AND PROBABILITY

by Yonardo A. Gabuyo
and Marjorie C. Cardenas

Statistics and Probability is designed for senior high school students in their attempt to master quantitative solutions and to make inferences that are necessary in their continuing studies and future professions. To ensure optimum learning, the contents of this book are aligned with the Department of Education's identified competencies for senior high school levels.

ENGAGING in the World of Health Optimizing Physical Education

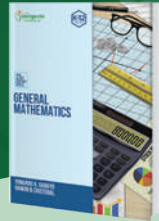

by Julie San Jose-Mathews

With the *Engaging in the World of Health Optimizing Physical Education* series, the author provides senior high school students a guide toward the development of their physical competence and skills, critical thinking, and social attitudes. The series sets focus on the importance of physical fitness assessments, exercises, sports, dancing, and recreational activities in one's health. Doing these activities regularly provides immediate health benefits affecting body composition and development, and promotes living a balanced life amidst all the possible sources of stress that growing up may bring forth. Through this, the students get inspired to lead and maintain an active and healthy lifestyle while aiming for their continuous growth and learning.

GENERAL MATHEMATICS

by Yonardo A. Gabuyo
and Ramon Cristobal

The textbook *General Mathematics* is written by reliable and efficient authors who are experts in the field. Through this book, the students will know how to solve problems involving rational, exponential and logarithmic functions. They will also be able to solve business-related problems and to apply logic to real-life situations; therefore preparing them for future academic pursuit and career enhancement.

READING AND WRITING SKILLS for the 21st Century Learners

by Jayza Almira Labis and Maria Martha Manette Madrid

The textbook *Reading and Writing Skills for the 21st Century Learners* aims to emphasize the development of reading and writing skills as applied to a wide range of materials other than poetry, fiction, and drama. Taught in senior high school, this textbook prepares students for real-life encounters that require the use of formal and professional writing, such as in the case of resume, application for college admission, application for employment and various types of office correspondence.

TESDA TRAINING MODULES

SPICE: Training Module for TESDA NC II Cookery

by Cynthia D. Garambas

Cookery is one of the specializations offered under Home Economics (HE) track in Technical Vocational Livelihood field. The Inteligente Publishing, Inc. offers two modules—Spice Book I and Book II. These two modules cover the necessary information and skills needed to prepare students in acquiring National Certificate (NC) II.

DINE OUT: Training Module for TESDA NC II Food and Beverage Services

by Aaron Jed Y. Tumbali, LPT, MBE

Dine Out is a module in Food and Beverage Services prepared for junior and/or senior high school students of the Technical-Vocational Livelihood track. This module aims to develop the knowledge, skills, and attitude relevant in preparing the dining area of a restaurant for service; welcoming guests and taking food and beverage orders; promoting food and beverage products; providing food and beverage orders to guests; providing room services; and receiving and handling guests' concerns. The contents of this module are based on the K to 12 Curriculum Guide of the DepEd and TESDA that leads to National Certificate Level II (NC II).

TASTY: Training Module for TESDA NC II Bread and Pastry Production

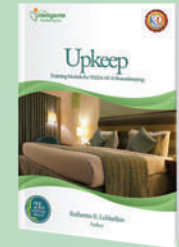

by Aaron Jed Y. Tumbali, LPT, MBE

Tasty is a module in Bread and Pastry Production prepared for junior and/or senior high school students of the Technical-Vocational Livelihood track. This module aims to develop the knowledge, skills, and attitude relevant in preparing bakery products, pies, pastries, gateaux, tortes, cakes, petit fours, and desserts. The contents of this module are based on the K to 12 Curriculum Guide of the DepEd and TESDA that leads to National Certificate Level II (NC II).

UPKEEP: Training Module for TESDA NC II Housekeeping

by Katherine E. Lubindino

Upkeep is a K to 12-compliant module intended for junior to senior high school students. This module is under the Technical-Vocational Livelihood track, which prepares students in acquiring a National Certificate Level (NC II). Housekeeping is an integral part of tourism industries. It contributes an additional revenue for other industries and employment opportunities worldwide. This module covers the following competencies: (1) providing housekeeping services; (2) preparing rooms for guests; (3) clearing premises; and (4) providing valet and butler services to guests.
